

## Celebrating Thanksgiving and Japanese Harvest Together

The CWA hosted a party on Saturday, November 26<sup>th</sup>, 2016, at the Chiba City Lifelong Learning Center to enjoy Thanksgiving dinner and *Washoku* together with ALTs.

A total of 26 people, including ALTs from Wisconsin and CWA members, made a Thanksgiving turkey, casserole, and apple-cider, along with *Futomaki* sushi rolls, a traditional cuisine from Chiba, and sweet potatoes made from local potatoes.

After carving the turkey, the attendees had a good time talking over their meals and giving self-introductions in English.
