

A Festival of Giving Thanks Together! ~Thanksgiving & Japanese Harvest~ (Held on Sunday, November 17th, 2019 at the Chiba City Lifelong Learning Center)

This year's Food Culture Collaboration was held on Sunday, November 17th with a total of 35 participants, including 15 ALTs from Wisconsin. With assistance from members of the Chiba Traditional Local Cooking Association, all participants took charge of preparing each dish. The menu included turkey, mashed potatoes, green bean casserole, apple cider, pumpkin pie, Bōso Futomaki Matsuri Sushi, and more. At 12:30, all of the dishes were ready and the feast began in earnest, with vehement conversation filling the room. Afterwards, all of the participants gave lively self-introductions. After taking a commemorative group photo, all of the participants joined in clean-up, and everything finished without a hitch.
